Merrill Kin Appointed Bakersfield Manager

Claude E. Peavey, son-in-law of Mr. and Mrs. George A. Merrill of 141 Wellesley, Redwood City, has been appointed as city manager of Bakersfield. Peavey, whose wife is the former Marie Merrill, was elected unanimously by the Bakersfield city council, to serve for two years at $5000 a year. For several years he has been production superintendent of an oil company. He is a graduate in engineering of Stanford University, where he was captain and star second baseman of the 1923 baseball team.

Mexican tourist cards, required of American visitors, cost 81 cents.

Peterson's Objections Overruled

In the face of protests by County Executive Frederick Peterson that they were exceeding their authority, the San Mateo County Board of Supervisors, by a vote of 4-1, Tuesday approved purchase of Canyon Sanitarium back of Redwood City as a county tuberculosis sanitarium. Board Chairman Fred E. Beer was authorized, on the motion introduced by Supervisor John A. Lynch and seconded by Supervisor Alvin S. Hatch, to enter into an agreement with the sanitarium's owner, Arnold Scheier, for the purchase of the private institution. The price previously had been set at $35,000.

The sole dissenting vote was made by Supervisor Thomas L. Hickey, who explained before voting that he had committed himself to abide by the recommendation of a three-man survey which he himself had asked for—but that he would not have requested the survey if he had known the board previously stood committed to carry out recommendations of the United States Public Health Survey conducted at the board's request.

The tuberculosis experts from nearby counties who made the survey requested by Hickey recommended against purchase of the sanitarium.

PETERSON ONLY OBJECTOR

Only a dozen persons were in the supervisors' chamber when the action was taken after a half-hour hearing in which Peterson was the only objector to express opposition. At last week's hearing, which had been continued to today, a number of persons expressed their opposition to the purchase.

Peterson warned the board they were not empowered by the county charter to make such a purchase—that the charter specifically provided that the purchase and acquisition of buildings and facilities must originate with his office.

Asst. Dist. Atty. Daniel E. Sullivan, when asked for an oral opinion, said the board was in its legal rights in acting to purchase the sanitarium.

Peterson, after a short wrangle over the charter's provisions, in which he, Sullivan, and the board engaged, strode out of the room.

The board's action culminated a long and sometimes bitter controversy in which opponents to the purchase of the private institution, rallying behind Executive Peterson, criticized the supervisors for adding the sanitarium to the county's hospitalization facilities.

SALARY ORDINANCE TO BE UP SATURDAY

On the advice of the district attorney's office, which ruled Saturday is a "special holiday" and the board could legally do business then, the board of supervisors has decided to meet at 10 a.m. Saturday to adopt the county salary ordinance.

Action on the ordinance must be taken on or before May 31, Asst. Dist. Atty. Daniel E. Sullivan informed the board, which had originally set Monday as time for action on the ordinance. The board is awaiting the results of a survey being made of the health and welfare department before acting on this department's salary requests and adopting the ordinance.

Starts Sunday at Fox Sequoia

"The Great American Broadcast," 20th Century-Fox's latest hit, stars Alice Faye, Jack Oakie, John Payne and Cesar Romero in a picture that has been called the greatest musical of them all. It's the gay, tuneful story of the courageous, talented people who first filled the air waves with song and laughter.

Draft To Take Seven From Menlo Park

Seven men, three of them volunteers, will make up the next selective service quota of Menlo Park Local Draft Board No. 107. The contingent has been notified to report to the board on June 3 at 7:30 a.m. to be sent to San Francisco Armory for induction.

Volunteers in the list are Raymond Fred Lee, Salinas; Robert Ernest Garcia and Eugene D. Hill. The selectees include William Henry Daseking, Menlo Park; Nathaniel G. Johnson, Half Moon Bay; Charles Robinson Green, Redwood City and Joe S. Pacheco, San Gregorio.

PAYS $20 FOR HUNTING

Shooting a dove out of season cost George Shafer, 21, of 347 Encina Ave., Redwood City, a $20 fine and most of a day in jail. Shafer was arrested by Game Warden M. S. Clark. The fine was imposed by Justice of the Peace E. I. McAuliffe.

Ice Follies Open At San Francisco

SAN FRANCISCO — Gliding smoothly over a glistening sheet of ice under vari-hued lights, 24 Ice Folliettes opened the all-new Ice Follies of 1941 with an elaborate production number, named Moonlight Vision.

Grace and beauty marked this episode of the great rink extravaganza, which is playing every night at Winterland, in San Francisco.

Costumed in semi-transparent hoop skirts, the number has a modern atmosphere and yet is an ideal opening number built around flowing rhythm and easy grace. Using large meteorological balloons, the girls cover the entire ice surface with delicate patterns and thrilling formations as the Moonlight Vision progresses. It is skated to the music of "Waltzing With a Moonbeam," written especially for Ice Follies of 1941 by Stanley Cowan and Bobby Worth, youthful Hollywood song writers. This is the first time in figure-skating history that the music for a group number was written to the routine rather than having the routine patterned to fit stock music. A special arrangement of the music for orchestra was made by George Hackett of Hollywood.

Featured as a specialty within the Moonlight Vision episode are Valerie and Jenna. Costumed as Romeo and Juliet, the two graceful girls glide smoothly between ever changing formations of the 24 Ice Folliettes as they do an expert double.

Following Moonlight Vision, but remaining an integral part of the number, is Bobby Widholm, the clever young comedian who does a number of satirical figure skating as Diana of the Moonbeams.

Spence Heads Bel Canto

J. Edwin Spence, Sequoia High School teacher, is president-elect of the Bel Canto Chorus, as the result of the annual election held last night. He was chosen unanimously upon report of a nominating committee, as were George W. Prall, vice president; Mrs. Edith Lander, treasurer; Miss Dorothy Nelson, secretary; Mrs. Florence Best, Miss Audrey Moore and Harry Jenkins Jr., directors.

Mrs. Lois Page, outgoing president, gave a financial report and presided over a business meeting which included discussion of policies and rules and possible by-law amendments, following which the group held a rehearsal with Karl D. Ernst directing in the absence of Director Eugene Fulton and with Mrs. Gladys Lynes accompanying, in the absence of Mrs. Clarissa Bray, regular accompanist.

The rehearsal was the last until Aug. 1, but beginning June 17 Director Fulton will conduct classes each Tuesday night at the high school for those who desire them. The board of directors, which includes all the officers, will meet again June 3, with the new officers convening with them preparatory to taking over their offices July 1.

Tire Opportunity Is Presented Here

Anticipating the year's first new peak in tire buying, scheduling of the annual Spring sale has just been announced by Goodyear Service, local Goodyear dealer, who points out that the opportunity is timed to coincide with the beginning of what may be the country's biggest driving period in any year.

Present plan for sales' dates covers the current week during which dealers nationally will feature the first-line G-3 All-Weather tread tire offered on a special trade-in deal, as well as the All-American in four popular sizes, attractively priced for the sale.

Backed by a written guarantee, these tires built with improved Supertwist cord have increased body strength, the G-3 in actual tests having averaged 20 per cent longer tread wear than other first line tires tested.

POLICE HAVE TWO PURSES

Redwood City police sent out an emergency call today to be relieved of an over-supply of ladies' purses at the police station. Two purses, each of them black, have been found recently and turned over to policemen. Anyone able to identify the contents of either purse is asked to stop in at the police station at once.

Buying Gain Attributed To Newspaper Ads

A consumer increase of 33.7 per cent, secured in test cities through application to newspapers of the radio technique of sustained continuity and repetition, is the basis for an announcement of the largest Fall newspaper schedule in the history of the H. J. Heinz Co., according to Franklin Bell, advertising manager.

Test campaigns were conducted in 21 newspapers from coast-to-coast in cities representative of each important population group. Each newspaper received a minimum schedule of 3 to 5 advertisements per week for 13 consecutive weeks.

A total of 3458 consumer interviews were completed before the tests, and 3505 after the tests. On the before surveys, 1521 housewives were familiar with the Heinz Varieties to be advertised and 713 were already regularly buying these varieties. On the after surveys, 1821 were familiar with the advertised items and 952 were buying them. These comparisons show an awareness increase of 19.7 per cent, and a buying increase of 33.7 per cent.

Commenting upon the Maxon Inc. study, Bell stated:

"It is our opinion that newspapers today are in the strongest position with the reading public they have enjoyed for 20 years; that their fundamental advantages of selectivity and flexibility are particularly important in today's merchandising; and that properly used with adequate continuity, they should be primary in a thoroughly rounded national advertising program."

Donald L. Bogie Heads Recreation Commission

Donald L. Bogie, vice principal and dean of boys at Sequoia High School, was elected chairman of the Redwood City Recreation Commission last night at a session which followed a meeting with directors of several San Mateo County recreation units at which legislation and budgets were discussed.

Bogie succeeds Andrew Spinas. James M. Eva, Sequoia teacher, was elected vice chairman, and Helen Ada Smith, secretary in the city hall, was retained as secretary.

The discussion session was called by Arthur Ryan, supervisor of the San Mateo County WPA recreation program.

Bogie led a discussion on recreation budgets and Ralph McClinton of Burlingame headed a discussion on Recreation legislation.

Representatives from South San Francisco, Burlingame, Palo Alto, San Mateo, Daly City, San Carlos, Menlo Park and Redwood City attended.

Atherton Zoning Attacked in Suit

A suit to prevent the Town of Atherton from enforcing its residential zoning of 5½ acres facing El Camino Real, just south of Selby Ln., was filed in superior court today by Bank of America, as administrator of the estate of the late Harry R. Fee.

The complaint asserted the property is "not residential property," and that the city's act in amending the zoning ordinance in 1935 to include this property in the first residential zone deprived the heirs of the right to use the property for commercial or industrial purposes.

The property, now without buildings, is on the west side of the highway. Taverns and cafes face it from across the highway.

More than 97 per cent of automobiles stolen in the first nine months of 1940 were recovered.

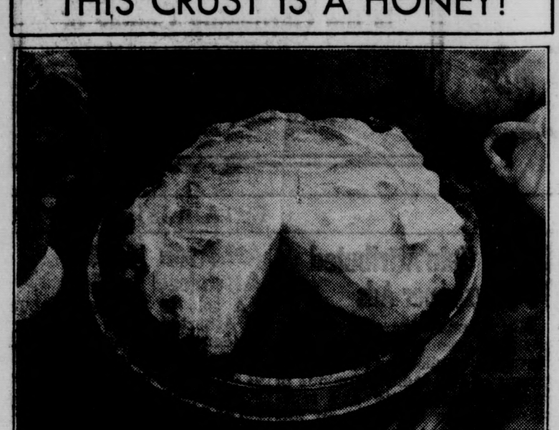
THIS CRUST IS A HONEY!



Pie-making lore just isn't complete these days without one good graham cracker crust recipe! Put lemon meringue or any cream pie into this Honey Maid Graham Cracker crust and you have a dessert that's a breeze to make—and a delight to serve!

HONEY MAID PIE CRUST

Melt ½ cup of butter and add to 2 cups of Honey Maid Graham Cracker crumbs. Work butter into the crumbs thoroughly. Dump into a 9-inch pie pan. With the hands pack sides well. Then pack the bottom of the pan, building up sides to form a thick crust at the curve of the pan. Bake in a moderately hot oven (400° F.) for 5 to 6 minutes.

Huddart Park May Be Given To the State

Possibility the state may take over and develop the 973-acre wooded Huddart estate at Woodside was being considered today as the result of action contemplated by the San Francisco Board of Supervisors.

The San Franciscans at their meeting Monday afternoon delayed for a week consideration of a resolution which would give up possession of the property.

The estate was willed to San Francisco by James M. Huddart, who died in 1935, with the proviso that if San Francisco failed to develop the area as a public park, it would go to the state. If the state also failed to develop it, the property was to go to San Mateo County.

Arthur V. Swift of Redwood City, a member of the State Park Commission, reported that at the commission's meeting last weekend in San Francisco the contemplated action of the San Francisco board was considered and he was designated to make a survey of the property, along with Frederick Perl, chief coordinator for the State of California, and Bert L. Werder, San Mateo County fire warden. They plan to make their survey next week, after which Swift will report back to the state board, which by that time will know what San Francisco plans to do.

One reason San Francisco desires to give up the property is reported to be the necessity of paying taxes on it to the County of San Mateo.

SUES OVER STAIR FALL

Claiming her right leg was fractured in a fall down stairs at a Burlingame apartment house, Mrs. May Bullock of Burlingame has filed suit for $20,000 damages against the duplex apartment owner, Ida J. Ambrose, Burlingame.

Youth Commissioned In U. S. Naval Reserve

Calvin S. Morser, son of Mr. and Mrs. R. C. R. Morser of Redwood City, has been commissioned as an ensign in the U. S. Naval Reserve. A graduate student in naval architecture at Massachusetts Institute of Technology, Morser was inducted into the reserve with 47 of his classmates. He is a graduate of Sequoia High School and of Stanford University.

S.M. Officials May View Secret Film

A demand that "Mankind United" submit its motion pictures to San Mateo city officials for a private showing before the public may see the films was expected there today after the organization submitted an application for a license to show the pictures.

The application was referred to the city council by the city license bureau and will be considered Monday night.

Decision came on Tuesday after a stormy session in which License Collector E. M. Pollock informed John S. Beaner of Redwood City, the applicant on behalf of the organization, that officials would want to see the film before it is shown publicly.

A proposed showing Monday was canceled when the Sons of St. George Association withdrew use of the hall on advice of Pollock, who warned that the showing was unlicensed. Beaner also applied today for a permit to distribute circulars. That application was held up pending council action on the picture permit.

Scheduled showings of the motion picture at the Redwood City Woman's Clubhouse tomorrow and Thursday are expected to be held as scheduled, Mankind United having cinched use of the club by paying in advance.

91st Division Plans Reunion on June 8

Men who fought the battle of the Argonne 24 years ago with the 91st Division, will hold a reunion on June 8 at La Honda Park. The men, whose division was dubbed the "Powder River Division," will renew friendships made in the service and revive memories of adventures in France.

All former members of the 91st, their relatives and friends are invited, according to Reed Robinson, general chairman.

IN TOWN OR COUNTRY

a Modern ELECTRIC RANGE is a joy to use

You will like an electric range for its dependability. It never lets you down. Give it a cooking job to do, set a few dials and you can feel free to let electricity do the job of cooking you have assigned to it. The millions of women who now cook electrically know the joy of having an electric range to do their cooking, especially during hot summer days. There is no need to stand over a hot stove. No need to stand by for oven peeking or basting or fussing whatsoever. It is simply a matter of "set it and forget it" as far as cooking with an automatic electric range is concerned.

Meals on time every time—you can rely on your electric range to do that whether you live in town or country. Why not know the enjoyment of this modern, simplified method of cooking right now? Electric Range prices are extremely low. Operating cost is less than you would imagine. You will be happier when you "go happy and go electric" in your kitchen. Any electric range you may select can of course be bought on easy budget terms.

Examinations Are Waived

Because of outstanding scholarship and citizenship records maintained during the seventh and eighth grades, 44 pupils of McKinley Intermediate School will be graduated with honors at the annual commencement exercises, June 12.

This number represents approximately one-fourth of the graduating class of a possible 187 pupils, according to Mrs. Lauretta Paulsen, principal.

Each of the 44 honor students has been excused from taking the final examinations this week at the school; and each will be presented with an honorary scholarship pin at an awards assembly the last week of school. The honor students include:

Robert Baldwin, Lenora Barber, Edine Best, Joan Boulet, Lois Bray, Virginia Callsen, Dorothy Cerqui, Lois Chandler, Phillip Chew, Richard Clegg, Billie B. Dahill, Ruth Dimick, Virginia Donovan, John Doolittle.

John Gill, Barbara Handley, June Harrell, Martin Hernandez, Reggie Huggins, Lorraine Iversen, Beverly Jennings, Yvonne Knapp, Lois Leonheart, Mary MacDonald, Mary McClure, Norma McKeegan, Joyce Merman, Beverly Mortensen, Joyce Moses, Bernadine Neu, Anne O'Connell.

Nellie Paron, Rose Pastorino, Zula Perrin, Donald Peterson, Corinne Royce, Thomas Schiff, Margaret Sanders, Ernest Schorz, Gloria Scott, Virginia Sowder, Betty Stevenson, Paul Wentz, Wesley Winnick.

McKINLEY MUSICIANS ENTERTAIN

Five youthful musicians from McKinley Intermediate School will entertain at the installation dinner tomorrow evening of the Business and Professional Woman's Club. Playing for the event will be Grace Louda, flute; William Savage, cello; Stanley Baker, violin; Grace Marozik, violin; and Ruth Dimick, piano.

Directed by Ronald R. Spink, the 60-piece McKinley Intermediate School Orchestra presented a 50-minute concert for patients at the Veterans Administration Facility, North Palo Alto, last Friday evening.

Many parents accompanied the children to the hospital program, which was under the general direction of Stanton Mullen. Andrew Spinas, local schools superintendent, was introduced.

Last Rites Held For R. C. Man's Father

Funeral services were held in San Rafael last weekend for Dr. Frederick J. Hund, father of Frederick A. Hund of Emerald Lake, Redwood City, and of Dr. Harry Hund and Walter Hund of San Rafael, Dr. Edwin Hund of Reno and Mrs. Irene Nicol of Brentwood.

The late Dr. Hund pioneered hospital work in Marin County. His sanitarium, "El Recreo," was famous a quarter century ago.

6 More Put In Class 1-A

Six more draft registrants in the Redwood City Draft Board area have been placed in Class 1-A, ready for immediate conscription. Two others have been placed in Class 1-B (fit for limited military service), three in Class 2 (men necessary to civilian activity) and three in Class 3 (men with dependents).

Arraignment Of Holmes Is Delayed

Arraignment of John M. Holmes, 35 of Hillsborough on a charge of murdering Wilson D. McNary, 26-year-old Pendleton businessman and sportsman, was postponed to June 23 in superior court here at the request of Holmes' attorney, F. E. Hoffmann of San Mateo. Dist. Atty. Gilbert D. Ferrell agreed to the postponement, made necessary by the defendant's physical condition.

Last week Holmes underwent an operation in which physicians removed his right eye, injured by a bullet he fired into his temple after shooting McNary. The optic nerve was severed by the bullet, and Holmes is totally blind.

Holmes is aware he has been indicted by the grand jury for the murder of McNary at San Mateo May 3, but he has not been told about his arraignment or other legal steps because of his condition, his attorney said.

Spring Cleanup Drive Set; Swimming Pool May Open

BELMONT — Community Spring cleaning was ordered officially here Monday when the Belmont City Council designated the week of June 2 as Community Cleanup Week.

The action was taken in cooperation with the chamber of commerce program to remove all old shrubs and debris from the city and generally beautify the community. The council's action included giving free use of a city truck to pick up such debris as citizens wanted hauled away during the period.

Mayor L. A. Barrett said any debris that was placed in front of residences or vacant property in such a manner that it could be loaded easily, would be disposed of by the city.

Possibility that the swimming pool on the Belmont Country Club property would be operated as a city project was indicated when officials of the Belmont Investment Co. appeared before the council and offered the swimming facilities free of charge.

MAY TAKE OVER POOL

James Connelley, representing the company, explained that the current subdivision project on the old golf course has been halted for the time being because of a quiet-title suit. He said "hundreds of people" had asked him whether the pool would be operated this season, and he explained that the legal status of the club would make operation by his group impossible. It was pointed out, however, that the city may take over the plunge and operate it as a recreation project during the Summer months.

Councilman E. G. Morrison reported several improvements were necessary on the property and the outcome of Connelley's proposal depended on whether the city would be able to afford the undertaking at this time. Further action, one way or another, is expected by the council at its next meeting.

It was reported to the council that 14 persons appeared before Police Judge C. J. Messner on traffic charges during April and to date in May with 14 fines being levied for a total of $158. Police court fines for the first four months of 1941 are about $200 ahead of last year.

The finance committee reported $8477.67 on hand in the general fund and approved payment of bills amounting to $1711.48. A total of $2079.79 in the special gas tax fund was reduced by $1896.17 when expenditures against this fund were approved in that amount.

IMPROVEMENTS MADE

City Engineer Manuel Valladeo told the council that the street improvement program carried on during the past month included grading and oiling Fifth Ave. and Sixth Ave., grading Ridge Rd., cleaning out ditches and completing the street sign installation.

Authorization of an expenditure of $175 from the quarter-cent gasoline tax fund was made to finance a traffic survey within the city.

The council briefly discussed possibility of making the Belmont Airport a municipal field. Under city lease or operation, Works Progress Administration funds could be obtained for improvements.

Building permits issued from Apr. 28 to May 26 added to a total of $67,871 in new construction, the council was told.

The city board entered into an agreement with the Belmont Sanitary District to lease the latter's truck for $1 a year. The agreement is effective July 1, and allows the district full use of the vehicle in case of emergency.

Boy Cyclist Asks $50,000 in Damages

A $50,000 damage suit was filed City on behalf of an 8- City today on behalf of an 8-year-old Burlingame boy, Allan Hammer, who was seriously injured when two cars collided at a Burlingame intersection last month. One of the cars struck him as he was seated on his bicycle, parked at a curb near the intersection.

The suit was filed by his parents, Mr. and Mrs. Andrew Hammer, 1008 Bayswater Ave., Burlingame, who named as defendants John A. Radenick, San Mateo, driver of one of the cars; and Mrs. Hertha J. Cartmell, San Jose, the other driver, and her employers, Mr. and Mrs. LeRoy Gast of San Jose, whose car she was driving.

Poppy Quotas Sold Out Completely in R. C.

Sales of Buddy (VFW) and Memorial (Legion) poppies in Redwood City Friday and Saturday were complete successes, leaders of the two groups reported.

The Veterans of Foreign Wars sold all their quota of 3000 Buddy Poppies on the two days and the American Legion sold its quota of 1700 Memorial Poppies by shortly after noon Friday. Auxiliaries of the two veteran organizations handled the sales. Leaders of both groups expressed appreciation for the response given by citizens to the sales.

Rabies Quarantine Measure Expires

A quarantine ruling against dogs running free any place in San Mateo County has expired after being in force two years, Dr. C. C. Gans, director of county health and welfare, announced here. The ban was instituted as a rabies control measure. No immediate steps are being contemplated to renew it, he said.

Army Tests Amphibian in Swift Niagara

An amphibian machine, which Roger W. Hofheins has offered to the U. S. Army for use as a land-water reconnaisance car, was tested in the swift Niagara River near Buffalo, N. Y. The craft is shown returning to land with inspecting army officers.

Industrial Factories In Peninsula Increase

San Mateo County had more industrial plants in 1939 than in 1937, but had fewer employes and produced less goods, according to a "census of manufactures" report received here today from the U. S. Bureau of the Census.

According to the report, this county had 111 factories in 1939, employing 3488 wage earners exclusive of salaried officers and employes. Total wages paid was $5,866,242; cost of materials, supplies, fuel etc., purchased was $32,454,538; value of products produced was $47,845,251. In 1937 105 factories employed 4241 wage earners, paying them $6,492,831; buying $37,299,304 worth of supplies, and turning out $54,293,044 worth of finished products.

The report further shows that Manufacture of coin-operated machines—vending, amusement, and other, including gambling devices—is a $20,000,000 a year industry, according to the census bureau. This represents the factory value of more than 300,000 slot machines.

in 1939 Redwood City had 16 manufacturing establishments, with 244 wage earners receiving $319,352 in wages, buying $713,704 in supplies and turning out finished products worth $1,510,491.

MENLO PARK NEWS NOTES

MENLO PARK—Menlo Parlor NDGW celebrated 25 years of its organization on May 20 in the same hall (Masonic, Menlo Park) where the parlor was instituted 25 years ago by Mamie Pierce Carmichael, then grand president.

Four of the charter members were present. Catherine Derry was the organizer of the parlor.

The hall was decorated with silver leaves in silver baskets and on the table were 25 silver candles. A gift of 2½ dozen silver spoons was given to the parlor by a member.

A scroll attesting 25 years' membership in the parlor was presented by President Jane O'Callaghan to Catherine Derry, Mrs. John Doyle, Mrs. Frances E. Maloney and Mrs. Amelia Britschgi. They were also presented with silver pepper and salt shakers. Catherine Derry was the first president of the parlor and Frances Maloney the first secretary. She has held this office for 22 years. There are eight charter members of Menlo Parlor still active.

After the meeting a shower was given to Mrs. Eleanor Walker by the members. A huge stork decorated the shower table. Refreshments were served at tables decorated in silver.

On Thursday night a birthday dinner will be held by Menlo Parlor. This is a yearly event.

★ ★ ★

On Thursday evening Menlo Parlor held the annual birthday dinner for members at the Long Barn Restaurant.

About 30 members were present. The tables were decorated with silver leaves and the place cards were silver and lace doilies holding a silver horseshoe. A huge birthday cake also decorated in silver was one of the highlights of the dinner.

Seven charter members were guests of honor and had the honor of cutting the cake. Each was asked to give a few remarks and the ones given by the charter members were especially amusing. Catherine Derry, organizer, was especially honored. Dancing and community singing ended a happy occasion for Menlo Parlor. The parlor is in fine condition financially and socially. The members were introduced by President Mrs. Jane O'Callaghan. Mrs. Edgar Mosher had charge of the decorations.

★ ★ ★

The proposed new $150,000 theater in Menlo Park will start about the first of July. It will be the finest on the Peninsula. It is to have a seating capacity of 500.

★ ★ ★

The Men's Club of St. Joseph's School will sponsor a luncheon for the graduates of St. Joseph's Parochial School this afternoon at 1 o'clock at Bertram's on Middlefield Rd. About 100 boys and girls will be present. Edward Derry will deliver the main address.

★ ★ ★

Two parcels of property were sold on the Flood subdivision upon which cottages will be erected soon to cost $10,000 each. The buyers are Eastern people.

★ ★ ★

The commencement exercises at St. Joseph's Parochial School will be held in the auditorium of the school at 8 o'clock this evening. A good program will be rendered. Parents and friends of the institution will attend en masse.

COMPARE WITH TIRES LISTING UP TO $10.65!

Before you buy any low-priced tire compare it with Wards Trail Blazer . . . the tire built to outwear and out-perform tires listing up to $10.65! *It's made full size of more and better materials than other nationally-advertised tires selling at higher prices! Tensile-strength tests prove 6.00-16 Trail Blazer has a 23⅜ stronger tread than other tires in its price class! That means longer—more even wear!

WARDS WARRANTY
Riverside Trail Blazer Tires are warranted to give satisfactory service without limit as to months, years or miles! Necessary adjustments are made at any Ward Retail or Mail Order House cheerfully, without delay or "red tape."
